CURED BY THE CUTICURA REMEDIES

"A healthy person does not heed statements made by sick people, but if such persons suffer from poisonous weeds, a remedy is anxiously desired. I suffered severely for four years from poison oak and ivy. My condition was serious, as I could not rest night or day and be free from a terrible itching sensation from atratching on my hands between the fingers, my feet and face. I got the best of advice and treatment from six different doctors who were anxious to cure me. One of the doctors told me that when the poison was cured, eczema (a-worse disease) would follow, which be-came true. My eyesight was affected, and I went to a hospital especially for the eyes and got rollef, but eczema got a terrible hold on my system.

COUCHES

Your attention is again called to our superior line of "Shearman Bros. Hand Made Couches." We show an elegant line in tufted and roll edge couches with plain seats, the construction of this famous hand made line is known the world over as the best make in America. "The Shearman" line of Couches for 1907 marks the limit of present day achievement in the ingenuity of mechanical construction, variety and beauty of design and decoration, and in the lasting luxuriousness of its upholstery. The best part of the line is the price. Cost us no more than an inferior make, and the cheaply made couches you will believe as we believe are dear at any price. Come in and see the variety and if you are at all thinking of buying a couch you will never regret of owning a "Shearman." Prices run from \$30.00 to \$15.00 and you can arrange the terms to suit your convenience.
